Districtr
for communities

MGGG Redistricting Lab will hold **Train the Trainers** sessions for community input with Districtr.org every Wednesday and Thursday in January at 7pm ET.

Register Here

During these one-hour sessions, you will learn about:

- Communities of Interest (COIs) and their role in redistricting

- Engaging with community partners to collect COIs from across your state, county, or city

- Tips and best practices for collecting COI input
